STATE OF NEW YORK; et al.,

Plaintiffs,

v.

DONALD TRUMP, in his official capacity as  
President of the United States; et al.,

Defendants.

C.A. No. 1:25-cv-00039-JJM-PAS

**DECLARATION OF TRICIA COLLINS**

I, Tricia Collins, declare as follows:

1. I am a resident of the State of Wisconsin. I am over the age of 18 and have personal knowledge of all the facts stated herein, except to those matters stated upon information and belief; as to those matters, I believe them to be true. If called as a witness, I could and would testify competently to the matters set forth below.

2. I am currently employed by the Wisconsin Department of Public Instruction (DPI) as the Assistant State Superintendent for the Division for Finance and Management.

3. The DPI is responsible for supporting and advancing public education and public libraries in Wisconsin, so that all school-age learners can access high-quality educational programs meeting their needs including nutritional needs, and all citizens have access to comprehensive public library resources and services. The DPI's Division for Finance and Management provides centralized and managerial support services to the DPI to ensure effective

and cost-efficient operation of the agency, including administering federal aids, grants and nutrition programs.

4. As Assistant State Superintendent for the Division for Finance and Management, I oversee all funding received by the DPI, including all federal funding.

5. Attached as Exhibit A is a true and correct copy of totals and relevant columns from the DPI's Schedule of Expenditures of Federal Awards (SEFA) for Fiscal Year 2024. The complete SEFA for Fiscal Year 2024, containing all columns, has been audited by the Wisconsin Legislative Audit Bureau as part of their annual audit of all state agencies. Exhibit A shows all expenditures by the DPI in Fiscal Year 2024 that were reimbursed by federal funds, totaling over \$2 billion. Fiscal Year 2024 included some COVID-19 federal awards that will not recur in Fiscal Year 2025, but expenditures from year to year are otherwise generally stable and the non-COVID-19 amounts shown Exhibit A are a reasonable estimate of the sources, types and dollar amounts of federal funding the DPI anticipates receiving during Fiscal Year 2025.

6. The scope of the federal funding received by the DPI, as shown in Exhibit A, is extensive. Among other things, federal funding helps feed children and community members through the school and community nutrition programs; supports special education, charter schools and career and technical education; and provides financial support to high-poverty schools. Exhibit A's column titled "Official Federal Program Title" shows the breadth of the programs for which federal funds are used by the DPI to advance the DPI's mission of advancing transformative and sustainable education that develop learners, schools, libraries, and communities in Wisconsin.

7. The DPI's budget includes a significant amount of federal funding allocated under the federal grants listed in Exhibit A. The DPI made plans and allocated funding for staffing

based on the anticipated receipt of federal funding promised in the various grant awards.

Approximately 53.17% of DPI's currently authorized FTE positions are funded by federal funds and 58.48% of DPI's current workforce is funded in part or in full by federal funds.

8. Any pause in our federal funding would result in interruption of funds for these programs and would result in the loss of services. In addition, pauses in federal funding would likely result in layoffs both at the DPI, local schools, and other organizations supporting children learning.

9. The uncertainty of not getting reimbursed from federal grants that have already been authorized has led to DPI staff being unsure whether they should come to work and whether school districts will be able to continue provide breakfasts and lunches to kids at schools across the state tomorrow and be reimbursed for it through the school nutrition program.

10. The DPI incurs costs as it implements federal awards and later receives the federal funds as reimbursement for expenditures that have already been made. If the DPI is not reimbursed, either the State of Wisconsin will have to cover the expenses from state funds, or the DPI will have to stop providing the services.

11. Attached as Exhibit B are examples of transmissions received by DPI that describe or effect a pause or impediments for federal disbursements.

12. If the federal funding is again paused, blocked, denied or delayed suddenly, children and their education and communities will be hurt.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on February 6, 2025, Madison, Wisconsin.

### **Automated Standard Application for Payments (ASAP) Accounts Temporary Suspension: Temporary Pause of Federal Financial Assistance**

On January 27, 2025, the Office of Management and Budget (OMB) issued memorandum M-25-13, *Temporary Pause of Agency Grant, Loan, and Other Financial Assistance Programs*. This memorandum requires Federal agencies to "identify and review all Federal financial assistance programs and supporting activities consistent with the President's policies and requirements," including certain recent executive orders.

Among other things, the OMB memorandum requires that while these reviews are being conducted, Federal agencies must, to the extent permissible under applicable law, pause disbursement of Federal funds under all open awards.

This temporary pause is intended to provide the Administration with time to review agency programs and determine the best uses of the funding for those programs consistent with the law and the President's priorities. Accordingly, all DOJ-related ASAP accounts will be temporarily suspended during the pause. As expressly provided in the OMB memorandum, **the temporary pause "will become effective on January 28, 2025, at 5:00 p.m. ET." After this deadline, DOJ award recipients will not be able to request a drawdown in ASAP until further notice.**

If a grantee attempts to draw funds down in ASAP during the account suspension period, the grantee will receive an "Error 839: No accounts found matching criteria" message and will not be able to request drawdowns.

Please visit the [ASAP Resources page](#) on the JustGrants Resources website for background about the system, frequently asked questions (FAQs), and training opportunities. For information on how to request funds in ASAP in the ordinary course, please reference this [user guide](#).

For all questions related to the ASAP system, please contact the OCFO Customer Service Center by email at [Ask.OCFO@usdoj.gov](mailto:Ask.OCFO@usdoj.gov) or by telephone at 800-458-0786.
